

Duchess By Chance (Regency Rakes, #1) Forced To Wed The new Duke of Stratton is shocked to learn he has a fiancée he's never met – the unlikely Miss Eva Winchcomb. After his late father gambled his fortune away, all he had left to sell was his son. So to save his family's honor Daniel agrees to the marriage. But society's favorite bache Forced To Wed The new Duke of Stratton is shocked to learn he has a fiancée he's never met – the unlikely Miss Eva Winchcomb. After his late father gambled his fortune away, all he had left to sell was his son. So to save his family's honor Daniel agrees to the marriage. But society's favorite bachelor is no longer a charming easygoing man. His father's betrayal has left him angry and with a thirst for revenge and the last thing he needs are his growing feelings for his shy new wife. Eva learns she is to wed the Duke of Stratton on way to the church. Despite the shock, this is an unexpected opportunity to escape her horrid family – one she grasps at with both hands. However, her courage falters when she faces the devilishly handsome but unyielding Duke who is now her husband. Can they make their marriage real despite coming from two completely different worlds? ...more
